

## How Can I Help?

*There are three ways that you can help make the Craft Fair and Raffle A HUGE success...*

- **Donate Goods or Services to the PTO Raffle Table**

***Donated Goods:***

Any goods that are in new condition can be donated to be added to the raffle baskets. Maybe the platter that Aunt Edna gave you for Christmas last year is not your personal taste or you have extra tickets to a sports game that you will not be able to use – these make great additions to our gift baskets!

***Donated Services:***

If you have a business or know of a business that offers a service that you would like to donate directly or at a reduced cost – contact

Brenda Bullied 963-7271 [bullied@charter.net](mailto:bullied@charter.net) or  
Michelle Benton 974-8711 [michelle@promosandprinting.com](mailto:michelle@promosandprinting.com)

Examples of these types of services might be (but are not limited to!)

Chimney Cleaning

Interior Painting

Landscaping

Interior Design Consultation

Horseback Riding Lessons

Art Lessons

Gym Membership

Skating Lessons

***Material for Gift Baskets:***

We are looking for clear cellophane, ribbon, 8x10 frames and baskets to put together our extraordinary display.

- **Donate your TIME!**

We know that the time you donate to a PTO event is invaluable to the success of the event. We are looking for volunteers to work all shifts – selling raffle tickets, working in the concession stand and working at the raffle table. We especially need volunteers for the afternoon shifts (12:00 – 3:00) Please consider donating an hour - the more help we have, the more successful the fair will be!

- **Be a Vendor**

Do you have a special talent that you would like to share with the rest of the community? We still have a few spots left for vendors and we'd LOVE to see PCS parents and friends get a chance to show off their wares!
