

Website Photo Permission Slip: *Please sign and return immediately!*

March 24, 2009

Dear PCS Parents and Guardians,

It is with great excitement that the PCS PTO plans to launch its brand-new website! This will be a great venue for connecting PCS families to the PCS community. To add a true PCS flavor to the site, we would like to include photographs of our students in action at PCS.

While we realize that most of you have signed a permission slip concerning photo publication for the school, we wanted to double check with each PCS family so that we know for certain whether or not we have permission to post your child's photos on our site. *Please rest assured that at no time will any child's image be identified on the website.*

Please sign and return this form no later than Tuesday, March 31st. Failure to respond will indicate non-consent, and your child's photo will not appear on the website.

Thank you for your help! We look forward to announcing the opening of the site, and we hope you'll visit us often!

Sincerely,

The PCS PTO
